

## ***“Revised Recommendations for HIV Screening of Adults, Adolescents, and Pregnant Women in Health-care Settings”***

*A Live Satellite Broadcast and Web cast presented by the  
Centers for Disease Control and Prevention (CDC)*

**November 17, 2005 ~ 1:00 – 3:00 PM EST**

\*\*\*\*\*

### **~ Resources Directory and Viewer Handout ~**

#### **Agenda for Satellite Broadcast**

- Welcome and broadcast objectives.
- Rationale for expanded HIV screening in health-care settings.
- Alternative procedures for normalizing HIV screening.
- Recommendations to facilitate routine HIV screening.
- Panel response to faxed questions from viewers.
- Announcement: Topic for HIV Satellite Broadcast scheduled for April 27, 2006 (1 – 3 p.m. EDT).
- **A 10-minute break is scheduled for approximately the midpoint of the broadcast.**

#### **Broadcast, Web cast, Videotapes, CD-ROMs, and Flyers**

- This Web cast may be viewed on computers with Internet and RealPlayer through <http://www.phppo.cdc.gov/phtn> for up to one year after the airdate.
- Videotapes and video CD-ROMs of CDC broadcasts may be obtained, while supplies last, by calling 800-458-5231. Closed-captioned videotapes are available.
- Flyers about current and future broadcasts may be obtained by
  - (1) accessing CDC's HIV Satellite Broadcast Website at <http://www.cdcnpin.org>,
  - (2) calling CDC's Fax Information System at 888-CDC-FAXX. (For the flyer about today's broadcast, when prompted by the recording, enter document number 130042 and a return fax number.)
  - (3) calling 800-458-5231 or 919-361-4892 .

#### **Technical Assistance and Fax Numbers**

For technical (equipment) help during the broadcast or during the satellite test signal the day before airdate:

In the US: 800-728-8232  
In Canada: 404-639-1289

For general questions about CDC's HIV broadcasts/Webcasts (other than about satellite reception): 800-458-5231 or 919-361-4892.

To fax questions to the panelists on airdate only:

In the US: 800-553-6323  
In Canada: 404-639-0181  
TTY (US): 800-815-8152  
TTY (Canada): 404-639-0182

To submit questions **after** the airdate, please send e-mails to [hivmail@cdc.gov](mailto:hivmail@cdc.gov).

## **~Resources Related to this Topic~**

Colleagues are encouraged to periodically visit <http://www.cdc.gov/hiv/dhap.htm> for information/resources on CDC's HIV/AIDS prevention programs.

CDC's National Prevention Information Network (NPIN) at <http://www.cdcnpin.org> provides information or materials on HIV/AIDS, STD, and TB programs and funding, plus referrals to thousands of service organizations.
